Scalable Broker

- With the Scalable Broker, clients can trade in stocks, ETFs, funds, bonds, derivatives and cryptocurrencies themselves to build their own portfolios. Savings plans in stocks, ETFs, funds and Crypto ETPs can be set up from 1 euro.
- Three trading venues are available: The European Investor Exchange (EIX, Hanover stock exchange), gettex (Munich stock exchange) and XETRA (Frankfurt stock exchange)
- Cash balances are safeguarded in accounts with partner banks and in money market funds. Deutsche Bank, J.P. Morgan Asset Management, DWS and BlackRock are included from the start. 3.25% p. a. interest (variable) is passed on to investors for Broker cash balances of up to 500,000 euro in the PRIME+ Broker and up to 50,000 euro in the FREE Broker.
- In addition to the app (iOS and Android), clients can also use the web application for trading and portfolio management.
- The registration process is conducted online and is completely paperless. Identification can be done conveniently online via our partner Fourthline.

The pricing models

The **PRIME+ Broker** for 4.99 euro per month enables unlimited trading from a volume of 250 euro per order. Orders below 250 euro are charged at 0.99 euro. The subscription can be cancelled at any time.

With the **FREE Broker** there is no monthly fee and trades are charged at 0.99 euro per trade, except for purchases of ETFs from PRIME partners Amundi, iShares and XTrackers from 250 euro order volume. The sale of PRIME ETFs has a charge of 0.99 euro.

In both models an unlimited number of savings plans can be set up without commissions for savings plans execution starting from 1 euro. Product costs, spreads, inducements and crypto fees may apply (all details [here](#)).

These prices refer to trading on the European Investor Exchange (EIX, Hanover stock exchange), gettex of the Munich stock exchange. Trading on Germany's largest stock exchange Xetra (Frankfurt stock exchange) costs 3.99 euro per order plus a trading venue fee (0.01% of the order volume, min. 1.50 euro) regardless of the pricing model.

Value for clients
